INFORMATION FOR PARENTS

Parking

Thank you for supporting us with parking. Please do not block drives at any time of the day. I have had complaints about after school events. Can I also remind parents and other relatives that they should not use our entrance as a turning circle at any time, including at Breakfast Club time—it endangers children and causes disruption for other cars.

Healthy Eating Thank you for supporting our healthy snack policy

With sunnier weather, pupils should bring a drink, but only water—this is the advice from the Welsh Government and dentists.

If your child has allergies, please let us know as soon as possible. Alternative menus are available for these children.

School Uniform

Full details can be found in the prospectus which is available via our website.

A reminder that with sunnier weather, a hat would be a useful extra item. Can I make a plea for names to be put on uniforms and coats.

Dates I have updated the events on the left of this newsletter and will do so each week. Dates are also available on the website.

Testing

A reminder that all children will take part in National Testing during the first two weeks in June - please try to ensure that your child is in school.

Newsletter: 18th May 2026

School Events

Year Six had a wonderful weekend at LLangrannog where they mixed with their peers from the other cluster schools and took part in skiing, climbing, Go-Karts and a host of other activities. Huge thanks to the staff who gave up their time to take them - special memories being made.

Our new website is now up and running. Very soon the children will be adding content themselves. Please take a look and provide any feedback to me.
